Class description: The first six weeks of this class will consist of new material consistent with a high school level 1 Spanish class, while also reviewing and reinforcing previously learned skills. The second six weeks will begin curriculum consistent with high school Spanish 2. In lieu of in-person instruction every week, videos of the instructor teaching new concepts will be provided along with homework in the workbook. Answer keys will be provided to self-check work. The instructor will be available by email to answer any questions in between in-person sessions. During in-person sessions, there will be time for communication in Spanish, clarification of concepts, and instruction of new skills.
